## ***Blindness -Do You Want to See ?***

The blind man Bartimaeus in today's Gospel wanted to see. He was painfully aware of the limitations that his blindness caused—unable to see the faces of his loved ones, unable to enjoy the beauty around him, unable to respond quickly to decisions, unable to recognize danger from afar. Being blind limited his experience of life. Because of these limitations, Bartimaeus greatly desired to see; he wanted this blindness removed. So he called out to Jesus for healing.

Although physical blindness is the most obvious, it is not the only form of blindness. Many people suffer from moral or spiritual blindness and never, ever realize it. They go through life unaware that there is a better and fuller way to live; that there is more to see, more to experience, more to understand about God and our relationship with him as his children. But they are blind. Do you suffer from any spiritual blindness? Are there any aspects of your life that you ignore, instead of cultivating change or growth? Are there opportunities for deeper relationships from which you turn aside or avoid?

Most of us do suffer from some degrees of spiritual blindness; it is a consequence of original sin. The greatest danger with spiritual blindness is failing to see its seriousness. Physical blindness can lead a person to make decisions that can kill them—walking into traffic, being trapped in a burning home. Spiritual blindness affects all the decisions we make, and all the decisions we make affect our relationship with God and others.

A major cause of spiritual blindness is IGNORANCE. When individuals do not KNOW their Catholic faith beyond their 8<sup>th</sup> grade catechism, they do not KNOW all that Jesus teaches, especially the immensity of his love for us, and they do not recognize that they are lacking anything. So they pass this ignorance onto their children. Ignorance is the spiritual, carbon monoxide. You cannot see it; you cannot smell it; but it kills. KNOWING is essential for intentional disciples.

Yet, we need not be prisoners of spiritual blindness. Like Bartimaeus, we don't have to be victims of our circumstances or passive and remain blind. Through our community of faith, the Church, the LORD desires to free us of our blindness so we can follow him more closely by KNOWING him fully. THANK YOU to ALL who participated in last week's Conference on Intentional Discipleship. With your help, we will set the course for greater renewal at Corpus Christi.

Let us cry out to Jesus, like Bartimaeus, "I want to see," so that he can remove the ignorance and replace it with KNOWING the Lord more fully.

**Father Allan F. Wolfe**

## ***Ceguera -¿Quieres ver?***

El ciego Bartimeo del Evangelio de hoy quería ver. Era dolorosamente consciente de las limitaciones que causaba su ceguera: incapaz de ver los rostros de sus seres queridos, incapaz de disfrutar de la belleza que lo rodeaba, incapaz de responder rápidamente a las decisiones, incapaz de reconocer el peligro desde lejos. Ser ciego limitó su experiencia de vida. Debido a estas limitaciones, Bartimeo deseaba mucho ver; quería que le quitaran esta ceguera. Entonces llamó a Jesús para que lo sanara.

Aunque la ceguera física es la más obvia, no es la única forma de ceguera. Mucha gente sufre de ceguera moral o espiritual y nunca se da cuenta. Van por la vida sin saber que hay una forma mejor y más plena de vivir; que hay más que ver, más que experimentar, más que entender acerca de Dios y nuestra relación con él como sus hijos. Pero son ciegos. ¿Sufres de ceguera espiritual? ¿Hay algún aspecto de tu vida que ignoras, en lugar de cultivar el cambio o el crecimiento? ¿Hay oportunidades para relaciones más profundas de las que te desvías o evitas?

La mayoría de nosotros sufrimos algunos grados de ceguera espiritual; es una consecuencia del pecado original. El mayor peligro de la ceguera espiritual es no darse cuenta de su gravedad. La ceguera física puede llevar a una persona a tomar decisiones que pueden matarla: caminar hacia el tráfico, quedar atrapado en una casa en llamas. La ceguera espiritual afecta todas las decisiones que tomamos y todas las decisiones que tomamos afectan nuestra relación con Dios y con los demás.

Una de las principales causas de ceguera espiritual es la IGNORANCIA. Cuando las personas no CONOCEN su fe católica más allá de su catecismo de octavo grado, no CONOCEN todo lo que Jesús enseña, especialmente la inmensidad de su amor por nosotros, y no reconocen que les falta nada. Entonces les transmiten esta ignorancia a sus hijos. La ignorancia es el monóxido de carbono espiritual. No lo puedes ver; no puedes olerlo; pero mata. CONOCER es esencial para los discípulos intencionales.

Sin embargo, no es necesario que seamos prisioneros de la ceguera espiritual. Como Bartimeo, no tenemos que ser víctimas de nuestras circunstancias o pasivos y permanecer ciegos. A través de nuestra comunidad de fe, la Iglesia, el SEÑOR desea liberarnos de nuestra ceguera para que podamos seguirlo más de cerca conociéndolo plenamente. GRACIAS a TODOS los que participaron en la Conferencia de Discipulado Intencional de la semana pasada. Con su ayuda, estableceremos el rumbo para una mayor renovación en Corpus Christi.

Clamemos a Jesús, como Bartimeo, "Quiero ver", para que pueda quitar la ignorancia y reemplazarla con CONOCER al Señor más plenamente.

**Quote from Mother Teresa on Abortion (St. Teresa of Calcutta)** “How do we persuade a woman **not** to have an abortion? As always, we must persuade her with love, and we remind ourselves that love means to be willing to give until it hurts. Jesus gave even his life to love us. So the mother who is thinking of abortion, should be helped to love - that is, to give until it hurts her plans, or her free time, to respect the life of her child. The father of that child, whoever he is, must also give until it hurts. By abortion, the mother does not learn to love, but kills even her own child to solve her problems. And by abortion, the father is told that he does not have to take any responsibility at all for the child he has brought into the world. That father is likely to put other women into the same trouble. So abortion just leads to more abortion.”
